## WIRING DIAGRAM

### INSTALLATION AT-A-GLANCE CAMERA SYSTEM

1. Install the camera module and the LCD module in the On-Q enclosure.
2. Run a single Cat 5 cable from the camera module to each camera location.
3. Install the cameras in standard single gang boxes throughout the house, either in the wall or in the ceiling.
4. Run a Cat 5 cable from the LCD module to the location of the LCD console, installed in a standard triple gang box.
5. Connect a patch cable from the LCD module to the camera module.
