881   ROUND PVC FLOOR BOX Ⓤ ⒸⓊ

Supplied with reusable concrete cap, conduit reducers and conduit hub plugs. Available for both single and dual service.* Graduated cubic inch markings inside the box indicate volume capacity at any depth. Box has parallel conduit hubs eliminating need for 90° sweeps in installation. One-piece reduction from 1" [25mm] to 1/2" [12.7mm] conduit. Reducers and plugs located on a mounting bar for easier selection. For concrete pours of 2 1/4" [57mm] to 6 1/2" [165mm].

6 1/2" [165mm]

5 5/8" [143mm]   6 1/8" [156mm]

One ring required per box, single or dual service. Ring sold separately.

881ADP   PVC FLOOR BOX RATCHET ADJUSTING RING Ⓤ ⒸⓊ

Used to attach wiring devices and cover plates to PVC Box. Locks into place without using glue or mechanical fasteners. Compensates for up to 10° of tilt if box is not level. Ground wire is factory attached to the adjusting ring.
*One ring required per box, single or dual service.*

1 1/8" [28mm]

4" [101mm]

## 881DIV   PVC FLOOR BOX DIVIDER PLATE Ⓤ ⒸⓊ

Used to isolate power and communication compartments. Graduated cubic inch markings are marked clearly on the divider and correspond directly to the cubic inch markings on the interior of the box. Cuts easily with a utility knife. Supplied with a receptacle plate that completes separation of power and low voltage.
One divider required for dual service activation.

3 13/16" [97mm]

2 11/16" [68mm]

5 1/2" [140mm]

3 11/16" [94mm]

895D   COVER PLATE Ⓤ ⒸⓊ

Dual service brass duplex cover plate with flip lids. Supplied with 1/2" [12.7mm] screw plug for accessing communication cables. 5 1/2" [140mm] diameter for carpet applications only. Used in conjunction with the 881DIV to complete the dual service 881 PVC Floor Box.

5 1/2" [140mm]

---

* 895D required for dual service brass activation. Polycarbonate covers must be field modified to facilitate communication cable egress.

LIMITATION OF LIABILITY

The Wiremold Company's sole obligation (and buyer's sole and exclusive remedy) with respect to any goods that are proven to be defective shall be the repair or replacement of such goods, at The Wiremold Company's option.

The Wiremold Company shall not be liable for any damages in excess of the purchase price of such goods and under no circumstances shall The Wiremold Company be liable for incidental or consequential damages or losses of any nature or description whatever.

Certain products may have a specific Warranty or Limitation of Liability different from the above and are included with the goods affected, and the terms of any such specific warranty or limitation of liability will supercede the above.

To better serve your project requirements, The Wiremold Company strives to improve products on a continuous basis. The information and/or specifications contained in this catalog may change without prior notice.

Wiremold Raceways and Fittings are listed by Underwriters Laboratories Inc. and the Canadian Standards Association.
